Hope I don't wake you…
NEED you to do something FIRST THING this morning!! Not gonna go into the whys but PLEASE set your FB pages (both) to private (only friends) and make ALL pictures & videos un-sharable. Please trust me, as promised to you, I support you and have your back!! Because I DO have your back, PLEASE do as I asked. Will explain when you get home and if you disagree, you can always change them back!! I love you!!!
Therefore, I am watching your back!!
